TUMIVolt - A new global market place for electric and digital mobility

Let’s bring together what belongs together! With the international high-level conference TUMIVolt, the Transformative Urban Mobility Initiative (TUMI) sets the stage: A new global market place for electric and digital mobility. On May 21, 2019 we connect you with mobility and energy providers, contractors, cities & urbanists, the public and private sector as well as investors and donors.

As of: 17.05.2019
